Coming soon...

Parent Gym - a fun, practical and interactive way to meet other parents and discuss how to be a great parent!

Some of our parents have taken part in previous years and have found the advice and ideas extremely helpful. Dates and times to be confirmed soon.

A couple of thank you's

Just wanted to say a big thank you to you, the Head Mistress/Master, Head of Music, Teachers, pupils, parents, and volunteers for a great performance during our Xmas Party at the Kentish Town Congregational Church Hall in Kelly Street. It was so wonderful, and everyone commented on how graceful the children were, and the teachers of course. It was also excellent as the singing session also included singing in French.

It was a great delight to have had the school to meet with the clients, carers, and other visitors on the day. It brought tears to our eyes.

Dear Rosamund

Sing for your Heart
Helping Hearts with Heart Research UK

I would like to thank you and the members of St Patrick's RC Primary School for supporting our Sing for your Heart campaign this December at St Pancras Station.

It was wonderful to have your support and I'm delighted to let you know we collected £142.16 during your performance.

Sing for your Heart is one of Heart Research UK's most important campaigns. Your support would be a great help.

Have you checked your child's hair this week?

If your child has nits make sure You treat it before they return to school.
