CONTACT TELEPHONE NUMBERS

There are occasions when the school has to contact parents. Please ensure that the school office has your correct telephone number.

Maths is Magic... as the children found out this week!

Maths week provided great fun and many learning opportunities throughout the school. The theme this year was Money and the children were visited by Tony Charles, who showed them some magical maths. Each class was set a money problem - with charges being incurred for each clue given! Did you solve your money problem? The week finished with a sharing assembly; it is always wonderful to see the children so enthusiastic about their learning. Many thanks to Miss Jenner for organising the week.
