#ON TIME FOR A FULL LINE - WHO WILL WIN THE DIAMOND TROPHY NEXT WEEK?

## Murderous Maths Workshop...

otherwise known as The Case of The Grisly Demise of Puffing Billy (literally frightened to death on the London Underground a hundred years ago), visited the school this week.

Years 1-6 met some of his shady friends before engaging with a series of activities which allowed them to whittle down the list of suspects, one by one. Baxter the Chef was the culprit!

This was just one of the activities the children took part in as part of Maths Week. The theme of the week was problem solving and throughout the school children have been working together to write and solve problems both in and out of school.

Miss Jenner also organised a competition about the most unusual places children have been practising their maths skills - a laundry basket and toilet were just two of the more unusual places!

The week ended with a Maths Week Assembly in which the children celebrated their achievements. Many thanks to Miss Jenner for organising the week and to all parents and carers for the support given to the children.

## Friends of St. Patrick's

St Patrick's annual quiz night took place last Friday in the school hall and with over 70 tickets sold, the event was already a success even before starting. One parent even sold over 15 tickets all on her own: we see you Sam!

With Mr Turpin MC'ing, aided by Mr Cranitch, and a motivated team of volunteers from the PTA committee, the night went well. A few hundred questions and many bottles of wine later, the quiz unsurprisingly finished later than planned shortly after 10pm but it could have gone on for longer (if it wasn't for Bill kicking us out!). Congratulations to Universally Challenged, the winning team, and a well deserved set of wooden spoons for #We Googled It!, the team with the most room for improvement on their basic quiz skills!

Altogether, £437 was raised towards the KS1 playground so a big thank you to ALL participants.

Bring on Carnival and Pancakes Day on Tuesday 28th February!

**If you can, please join us for our next meeting on  
Tuesday 21st Feb at 3.30pm.**
