Maths is Magic...

as the children found out this week!

Maths week provided great fun and many learning opportunities throughout the school.

We were visited by Andrew Jeffrey, who showed the children some magical maths. Each class went on a Maths Trail; Nursery and Reception (with the help of Years 5 & 6) around the local area, Years 1 & 2 to Hampstead Heath and Years 3 & 4 to the London Canal Museum. Parents and Governors came to watch, and join in with, maths lessons taking place in the classrooms. Maths week always provides many opportunities for cross curricular learning.

In Literacy the children read, (and in some cases wrote), maths themed stories. Esther, our Artist in Residence, led Art in Maths workshops and during their ICT session each class spent time playing maths games on ipods. The governors especially enjoyed testing their mathematical skills during the Year 5 session. The week finished with a sharing assembly; it is always wonderful to see the children so enthusiastic about their learning. Many thanks to Miss Jenner for organising the week.

CHOIR, CLUBS, ASSEMBLY

MONDAY Homework Club 3.30 - 4.45 Yrs 5 & 6

Sports Club Yrs 3 & 4

TUESDAY PRAYER GROUP 9am

WEDNESDAY Ashing Service 9am

Girls Sports Club Yrs 5&6

Best Dressed Class Year 3
Well done!

Ash Wednesday Ashing Service
Wednesday 5th March at 9am
Please join us if you can.

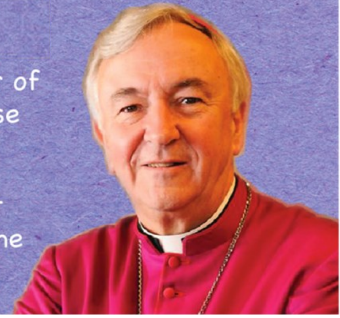

WHAT WILL YOU DO FOR LENT..? Give it a little thought this weekend..

Cardinal Vincent Nichols Reflection of the week

A candle's light is the same whatever the size, shape or colour of the candle. It brings light into dark places and warmth to those who are cold. It reminds us of the light of God's love.

Lord Jesus, thank you that each one of us is equally important to you even though we are all very different. Help us to see the light of your love shining in everyone we meet.

Friends of St. Patrick's

The Friends of St. Patrick's continues to go from strength to strength, but in order to do so we need your support. All parents are automatically members of the Friends of St. Patrick's and are very welcome to attend meetings.

Our next meeting is on ***Friday 7th March at 3.25pm*** at which we shall begin to plan our next event.

Come along and share your ideas!

*My name is Ana Maria. I am a student at Camden School for Girls.
I am an experienced babysitter living locally to the school. I charge £5 an hour.
Please contact me on 07732343999.
References available on request.*

Hair Styles

There should be ***no shave lines or designs.***
'Mohicans' are not allowed. Long hair should be tied back.

Scooters and Bikes

Whilst the school is very happy to provide an area for children's scooters and bikes to be left during the school day, parents are reminded that they are left at **YOUR OWN RISK**. They are placed in the playground before the end of the school day and should be collected as soon as possible.

Parents should also remind children that there are young children and babies in the playground before and after school and that scooters should be ridden with care.
