## SCIENCE WEEK

We have had a brilliant week doing experiments, testing out theories, building structures, meeting exotic animals and much more... It has been wonderful to see the children so engaged and curious about the world around them.

We have been blown away by the entries to the science competition - the children have exceeded our expectations and we all love the experiments and presentations they have made so creatively! We now have the almost impossible job of selecting a class winner and an overall winner - these will be announced next week!

### SAFEGUARDING

If you have any concerns about any child's safety or child protection, please see Mr Cranitch - Headteacher ASAP. If he is not available please see Miss McDaid - Deputy.

**Illness...** If your child is unwell please consider taking a visit to your local pharmacist who can give you help and advice on how to treat common illnesses - e.g. sore throats, coughs, colds and tummy upsets—and avoid keeping children off school.

## **SAFETY NOTICE**

Please can we remind all parents/carers to be considerate of others when dropping children at school by car in the morning. We have had reports of parents' cars pulling up on the pavement in front of pupils walking to school, posing a risk to both our families and members of the wider community.  
Thank-you for your co-operation.

## **School Uniform**

We are having a renewed emphasis on school uniform. All children are expected to be in school in full school uniform.

- Only plain or school summer caps must be worn to school - with peaks to the front.
- Grey school trousers must be worn, grey tracksuit bottoms are not permitted.
- Plain black school shoes must be worn.
- Ties must be worn by boys & girls, unless girls are wearing summer dresses.

Uniform is available to purchase from the school office on a Tuesday and Thursday afternoon between 3-4pm.

Please note school uniform is also available to purchase online via [www.Brigade.uk.com](http://www.Brigade.uk.com)
