Busy, Busy, Busy...

There has been lots going on at St. Patrick's this week.

As part of the Maths Week activities all of the classes have been to the church for a maths trail. The children also had a visit from a puzzle company and spent time in their classes learning about the jobs that use Maths and famous mathematicians; ask Year 3 to tell you about the Hungarian Mathematician Pál Turán. Thank you to Miss Jenner for all her hard work in preparing the Maths Week!

One of the benefits of living in central London is being so close to many places of interest and this week many of the classes have been out on trips including; Hampstead Heath, Camden CLC, The Royal Aeronautical Society and Lauderdale House.

We were also visited by children from 3 other primary schools who, with Years 1 and 5, took part morning of music and song. Thank you to Miss Savournin for arranging a wonderful celebration of our children's talents.

The importance of Praise.

You will have today received your child's school report. While of course there are areas in which all of our children can improve, all of our children have made progress this year and it is important to recognise this. Praise is an excellent form of motivation so please take time to PRAISE your child for the achievements and progress they have made this year.

DEALING WITH PROBLEMS.

At some time during your child's time at St. Patrick's they may have a problem that needs to be sorted out by a member of staff. Should an incident occur after 3 o'clock the main priority will be to ensure that the children are safe and the incident will be dealt with the next day.

PARENTS EVENINGS MONDAY AND TUESDAY. SHEETS FOR YOU TO SIGN UP FOR A TIME TO SEE YOUR CLASS TEACHER ARE AVAILABLE IN THE PLAYGROUND.

Please see over for details of our annual Prize Giving and International Food Fair on Friday 5th July.

Celebration Time!

On Friday 5th July at 9.30am we will be having our ANNUAL PRIZE GIVING and concert. This promises to be a wonderful event.

There will be music and drama and the prizes for ACHIEVEMENT, and PROGRESS, and for BUILDING COMMUNITY will be presented.

Our guest of honour will be the Olympic Medalist BETH TWEDDLE MBE.

It is so important to recognise the many splendid achievements of the children in our community. Do come along if you can.

After school on Friday we will we will be having our annual International Food Festival.

This is always a wonderful celebration of the delicious dishes and indeed the different cultures of our families and communities and the differences that make us so interesting to each other.

If you want to bring some food on the day, please bring your dish to the office by 2.30pm - any help you can give to set up the tables is also appreciated.

We would also like the children to make A4 size flags of the countries our families represent.

Please be as creative as you can!

The flags should be given to the class teachers by Thursday.

The Friends of St Patrick's will be serving drinks in the playground and it promises to be a wonderful event!
