

ST PATRICK'S NEWS

Friday 13th June 2014

Is it a bird? Is it a plane? No...it's SUPERKID!

This morning Reception Class reminded us of the many ways people at home, at school and in the community can help us.

Superkid told us how he stops the bullies, eats fruit and veg and comes to the rescue. Each of us can be just like Superkid and help our friends and ourselves feel safe and protected.

All of the classes have been busy this week carrying out their Science Week experiments. There were boats made out of blu tak, rafts made from paper and paper clips as well as hot air balloons made from tissue paper. Science Week concluded with our now annual Egg Mobile Race. There were some great constructions and the children had fun cheering each other on. Thanks to all the staff for their hard work, to the parents for helping the children and to the children themselves. And thanks as well to Mr Turpin for co-ordinating Science Week.

Sunday 15th June 2014

Please join us at the 11am Mass at Our Lady Help of Christians. Our choir will be singing and pupils past and present will be leading the ministries.
