Year of Mercy

As part of our Year of Mercy celebrations many of the classes have been on pilgrimages to visit Holy Doors. Years 5 & 6 visited St. Patrick's in Soho, Years 3 and 4 today visited Westminster Cathedral and Years 1 and 2 will be visiting St. Dominic's Priory next week.

Please take time to make your own pilgrimages if you can.

Science Week...

Have you seen any strange rockets flying through the sky this week or noticed any Aliens wandering around? If so, this may have been due to our Space themed Science week, Did you know the word astronaut comes from the Greek word "Astron" which means star and "nautes" which means sailor. The Russian cosmonaut has a similar meaning from 'kosmos' meaning universe and again "nautes" sailor. ! At the time of writing our Annual Egg Race is taking place. There are, as always, some fantastically imaginative mobiles. Many thanks to Mr Turpin for organising Science Week and the children for taking part so enthusiastically.

Our annual International Food Festival and Mini Summer Fair is a wonderful celebration of the delicious dishes and indeed the different cultures of our families and communities and the differences that make us so interesting to each other.

If you want to bring some food on the day, please bring your dish to the office by 2.00pm - any help you can give to set up the tables is also appreciated.

We would also like the children to make A4 size flags of the countries our families represent. *Please be as creative as you can!*

Children may change into National Dress / Colours at the end of the school day and take part in the Fashion Show being held at 4.15pm
