Choices...

Wednesday's Word this week is Choices and reminds us that good choices are not always easy to make.

When faced with difficult or important decisions we can ask ourselves "What would Jesus do?" and then try to do the same ourselves. We should think about the effect our choices have not only on ourselves, but also others.

As, following the EU Referendum, our country enters a period of change, we pray that our politicians think with care and wisdom about the choices they make for us, and hope that they may be for the common good of all.

 Dear Lord Jesus,
Thank you for being our friend, for being there to help us to choose wisely, even when a choice is difficult.
Amen
