Prizes and Celebrations...

We had a wonderful prize giving and concert last week. The prizes were presented by Father Liam Cummins, a member of the Mill Hill Missionaries. The prize giving concert provided a wonderful opportunity for the children of St. Patrick's to display some of their gifts and talents. Father Liam reminded the children that they each have a special gift, the ability to have a positive effect on the lives of themselves and others by the way of their words and actions. The children were also reminded that they each receive a special prize - the prize of education, which unfortunately not all children in the world are able to receive.

Many thanks to all who contributed and particular thanks to the instrumental teachers and to all of the staff in class who have practised with the children. We were delighted that so many parents, friends and governors came to help celebrate the achievements of the children here at St. Patrick's school. Many thanks also to Miss McDaid for an excellent job standing in for Mr. Cranitch!
