## ALL CREATURES GREAT AND SMALL...

have been visiting the school this week. As part of our SCIENCE WEEK learning, the children got to see (and touch!) amongst others, a Bald Eagle, Tarantula, Peregrine Falcon, Barn Owl and Giant Madagascan Hissing Cockroaches! The children have also been investigating different methods of flight and this has resulted in lots of objects flying around the school, including mini helicopters, paper planes, parachutes and Alka Seltzer Rockets. Science Week concluded with our now annual Egg Mobile Race. There were some great constructions and the children had fun cheering each other on. Thanks to all the staff for their hard work, to the parents for helping the children and to the children themselves. And thanks as well to Mr Turpin for co-ordinating this week.

Thank you to all children and parents who contributed to this years Catholic Children's Society Lent Appeal.

On Tuesday, Year 6 attended the annual Good Shepherd Mass at Westminster Cathedral, the theme of which was 'Praying with Faith'. The Mass was celebrated by Archbishop Vincent Nichols and brought together children from schools throughout the Diocese of Westminster. Shane and Shyama presented our school contribution, which helps to support the society's work, **Making a Difference**, to the lives of children and families living in our Diocese.
