BEING ON TIME!

We are very grateful to all those parents who ensure that their children get to school on time every day.

The children then have the benefit of a calm orderly start and the sense of a routine that sets them up for learning.

Arriving late, in contrast, can upset the children early in the day. It may also mean that they miss important information at the start of a lesson.

Do get your children to school on time. It is in everyone's best interests. If you find yourself arriving consistently late then the obvious and simple remedy is to start doing all that has to be done a little earlier!

Children need a good night's sleep. So if they are tired in the morning, and reluctant to get up, then perhaps they need to go to bed earlier.

Being rested helps them to learn!

ENJOY THE BANK HOLIDAY!

No school Monday, so enjoy the long weekend !

This is the only bank holiday that falls outside the school holidays. The weather looks like it will be good- so have a wonderful time and enjoy the sun!

OPEN LESSONS IN THE NURSERY!

Many thanks to all those parents who have attended the OPEN LESSONS.

Next week there will be a further OPEN LESSON in the nursery. This time Miss Stevens will be looking at how to help young children with READING AND WRITING.

There will be FREE RESOURCES for all parents who attend. So come along and Discover how you can support your child to learn to love reading and writing and to make the best of their education in the future.
