Prizes and Celebrations...

We had a wonderful prize giving today. The children were very excited to meet our guest of honour, Team GB Olympic medallist Beth Tweddle MBE.

Beth spoke to the children about her own story, her achievements and the determination that kept her on the journey towards representing her country at London 2012. Beth's advice was to try lots of different activities so that you can find out what you are good at. She also reminded us that there will always be disappointments but to keep on trying and to 'charge at them'. Beth also showed her bronze medal! We have taken a photograph which Beth has signed and all the children have or will be given a copy.

As always, the prize giving concert provided a wonderful opportunity for the children of St. Patrick's to display some of their gifts and talents. Nursery began the concert by singing our school mission statement. Years 1,2,3, 5 and 6 gave us wonderful musical performances and Years 4 & 5 enthusiastically played their trumpets and trombones. Reception recited a beautiful poem about peace. Comedy was provided by boys and girls from Yr 2 and Yr 4. Some of the boys showed off their dancing skills and we also had individual musical performances by children from across the school.

Our very talented choir finished the concert with a selection of uplifting songs.

Many thanks to all who contributed and particular thanks to the instrumental teachers and to all of the staff in class who have practised with the children.

We were delighted that so many parents, friends and governors came to help celebrate the achievements of the children here at St. Patrick's school.

It was certainly a memorable visit.

FUN FILLED FOOD...!

As if the prize giving didn't provide enough excitement we are ending our school week with a wonderful international food festival after school!

Many thanks to all those parents who have brought food to the festival. Your efforts are greatly appreciated. As we remember last summer when people from all over the world came to participate in or watch the amazing London 2012 Olympics, it was great to be reminded of our own international community here in Kentish Town. Many thanks also to the Friends of St. Patrick's for helping to organise the food and raffle.
