A different world...

This afternoon Year 4 presented a fact filled assembly about India.

They reminded us of some of the differences in religion, clothing, food and wildlife found in different parts of our wonderful world.

In the week when our Year 6 children sat their SATS papers we were also reminded that not all children in the world (especially girls) are able to finish their education. Luckily this is beginning to change and we continue to pray that more children around the world are able to experience the same educational opportunities that our children receive.

MAY PROCESSION

Next Thursday May 23rd at 2pm, we will be having our May procession.

Every child will have a flower and we will process singing hymns around the playground and crown Our Lady's statue. DO COME AND JOIN US IF YOU CAN!

Great Football News!

After five years of competing in the Camden Schools Sports Association Years Three and Four Football Tournament, our boys' teams have qualified for the Finals competition next Tuesday. They had to compete in a tough group which saw them playing against schools twice their size.

After beating Torriano and Rhyl they drew with Brecknock. A loss against Gospel Oak left all teams in a nail biting wait to see which two of the five teams would qualify. A draw between Brecknock and Torriano in the last of the ten matches secured St Patrick's a place in the next stage.

Well done boys!

The girls also qualified for the next stage. So well done to them also! Let's hope they can repeat the feat of our 2012 Years Three and Four Girls Team and become Camden champions!

SPORTS DAY

Our annual sports day is on Friday 24th May and is being held at the Parliament Hill Athletics Track. Reception and KS1 will stay at the track until lunchtime. KS2 will leave around 3pm. Please ensure that your child is prepared for the weather with adequate sun protection and a coat in case of showers. Children should come to school wearing their school PE kit which will be sent home next week. *Parents are welcome to join us.*
