

# HOW HELP THE WORLD!

By Sebastian

# GENESIS 2

Genesis 2 is a creation story. This story was written thousands of years before Jesus was born. The story is from the Old Testament of the Bible (the beginning of the bible). This story was written when King Samuel was the King of Israel ( a country). The story is about when Yahweh (God) created the world and all the animals. 'then the lord God placed the man in the garden of Eden to cultivate it and guard it.

QUE TUS MANOS CADA DIA CONSTRUYAN UN MUNDO MEJOR.

# What will make God happy?

Genesis 2 teaches us about helping the world. Yahweh (God) told the people to 'till and keep' the plants and all look after the animals in the world. So we should do the same because God made us in his image.

# Laudato Si

- ❖ Laudato Si is a letter that was written by Pope Francis. He wrote this letter in May 2015. Laudato Si means 'praised be'. In this letter Pope Francis wants us to stop treating the world badly. In this letter he says 'we have forgotten that we our self are dust of the Earth our bodies are made up of her elements ,we breath her air and we receive he life and refreshments from her waters' Pope Francis got inspiration from Saint Francis who is our class saint. Saint Francis loved animal and he really cherished them.

What does Laudato si  
teach us?

This letter teaches us about how to help the world by showing the earth as a mum . So we need to take care of the world as if it was our mums.

If we don't do this the future generations will suffer because of what we did in the past.

# How can we do this?

My mum shows this by recycling and watering her plants. She also walks when she doesn't need her car.

I can be a steward of the world by picking up litter and using my bike instead of going by car. I know some one that always cleans her garden but she is an old women so I could help her.
